

## About Us

McLeod the Glaziers (Perth) Ltd has been serving the local community for over one hundred years, established in 1836, the company is family owned and run from its head office on the Inveralmond Industrial Estate. Involved in all aspects of glazing we are the regions foremost contractor in our field.

McLeod's have a proud history of high levels of customer care and quality of products, the same work ethic that was established in 1836 is carried on today.

With a state of the art glazing plant housed in the Inveralmond Head Office, we stock most types of glass which can be cut, polished and drilled for any application. We have a dedicated staff ready to handle all types of enquiries from a single pane of glass to complete window replacement.

### Company Aim and Intent

We list a small part of what we have the capacity to carry out, for any enquiry please contact one of our outlets and our efficient staff will deal with all enquiries promptly and courteously. At McLeod's we aim to give the best service that is available and intend to handle all enquiries, large or small, with the same care and attention.
