

## Internal Doors

WE can supply these doors unglazed or glazed with various glass types, including clear, sandblasted, smoked, frosted or mirror glass. They all comply to British Safety Standards. We also offer a wide range of leaded designs, incorporating gold or silver lead and many eye-catching hues to add style and character to your door. Many of our most popular designs are profiled in this catalogue, with several inspired by the celebrated Charles Rennie Mackintosh. You want your own, unique design or have something in mind? Relax - our talented design team can replicate almost any design imaginable and we can supply glass for fanlights or sidelights incorporating similar designs to complement the overall look of any door.
