

## Aluminium

MCLEOD Glaziers are aluminium fabrication specialists. Our aluminium range includes commercial property frontage, doors and windows. MCLEOD Windows utilise a state of the art computer system where we can carry out full designs and estimates from our site in central Scotland. We can carry out site surveys using our own fully qualified staff prior to manufacture and installation. MCLEOD Windows Aluminium Glazing products are available in RAL or BS colours where we can guarantee shorter lead times than many of our competitors, and are installed by our specialist installation teams. Products available to your specification are:

- Aluminium Windows
- Aluminium Commercial Doors
- Aluminium Residential Doors
- Aluminium Shop Fronts
- Aluminium Curtain Walling
- Secondary Windows
- Aluminium French Doors

- Aluminium Patio Doors All our products are manufactured by highly trained craftsmen to the highest specifications. And McLeod Glaziers are long standing members of the Glass and Glazing Federation. Contact one of our technical team and your enquiry will be handled promptly and effectively. We look forward to dealing with your enquiry.
