

## Mirrored Wardrobe Doors

Mirrored wardrobe doors are a stunning addition to any bedroom giving the feeling of space and warmth. A full range of frame colours are available to suit any taste or internal decoration. All mirrors or coloured glass come safety backed as standard for safety and peace of mind. To add a more stylish look to the mirror in your doors why not choose from one of our brilliant cut or sandblast designs which can be etched into the mirrored doors giving a more detailed look.

A range of coloured glass and wooden panels are available for those who do not want the mirrored look. We can create a look and style for any room which is individual to the home so simply make an enquiry or visit our showroom where we have eight sets of doors on display as they would be in your own home&hellip;&hellip;..go on and be inspired!!!
